

## **Wamuran CTR 27 August 2017 Ride Report and Scores**

After a weekend of track marking, confirming judges and pencillers, re-doing rider list and shopping for lunch supplies all was ready for the Wamuran CTR.

Riders from Kingaroy and the Gold Coast as well as some local riders arrived for the Wamuran CTR on Saturday afternoon. Michelle and Shannon from the Horse Health Team rode the track on Saturday morning to check all the markers were still in place.

Being able to put 11 horses through Horse Health on Saturday afternoon made Sunday morning a little less frantic. 45 riders nominated for the Wamuran CTR but unfortunately for various reasons 13 riders had to withdraw before the ride.

32 riders rode out on Sunday morning in beautiful weather to enjoy a fabulous track in native forest. The majority of the judge points were natural, making use of what was in the forestry. Listening to the judges' instructions was a must.

Thanks to all the volunteers who helped make the day such a success and congratulations to all the riders, hope you enjoyed the ride. Thanks also to the SCATER Committee members for their support with organising the CTR.

This is the first CTR I can recall three riders receiving the same score and having to go back to the Horse Health results and finally the horse with the lowest heart rate at the end of the ride to decide the winner of the Novice category. In the Teams event two teams had the same score so again the Horse Health results were used to determine second and third placings. The completion prize was a halter in SCATER red. We would like to thank all the riders for leaving our property clean and tidy.

Hope to see you all at the Mooloolah CTR.

Debbie and Brendan  
Ride Co-ordinators  
Wamuran CTR 2017

### **Wamuran CTR Placegetters and Scores**

#### **Junior**

1st - Jemeira Knight 393
